

Honeywell Total Connect™ Video Solutions

SECURE VIDEO NOTIFICATION
AND REMOTE LOOK-IN SERVICES

**Keep an Eye on Your Business
Wherever You Are**

Honeywell

THE PICTURE PERFECT SOLUTION FOR YOUR BUSINESS

Honeywell Total Connect™ Video Solutions let you keep an eye on your business from anywhere, anytime—when you're there and when you're not!

You can view live video on up to six cameras at a time, receive event-driven video clips, take snapshots and more on the same mobile devices you use every day. Just picture the possibilities!

Free apps available for iPhone®, iPad® and Android™

Several portable indoor and outdoor cameras available—can be placed virtually anywhere!

- Available with or without a security system
- Connect remotely from anywhere in the world—all you need is Internet access
- Control and manage your accounts, add users, assign codes and control cameras simply and easily
- Secure communications and firewall-friendly video streaming
- Store up to 100 video clips

For the ultimate peace of mind, look no further than Honeywell Total Connect Video Solutions. It's picture-perfect thinking from a name you can trust.

Control pan and tilt cameras with a simple up, down or diagonal swipe of the finger. Tap to select specific areas.

Honeywell Total Connect™ app is available for free download from the Apple® iTunes® App Store™. The Android app is available in the Google Play Store. Apple, iPhone, iPad, iPod touch and iTunes are trademarks of Apple Inc. All other trademarks are the property of their respective owners.

CUSTOMIZED VIDEO SOLUTIONS for Every Business

Just because you're out of the office doesn't mean you have to be out of the loop. When you put Honeywell Total Connect™ Video Solutions to work, you'll have the critical information you need to help manage your business, your employees and even the unexpected.

Wherever you are, you can:

- Receive video clips of important events occurring in and around your business
- Keep an eye on your business and employees anytime, anywhere
- Supervise voids, resales and returns by monitoring cash registers with live video or recorded snapshots
- Observe consumer shopping habits and activity
- See when your business opens and closes
- Add multiple users and customize access settings for each user
- Conveniently access up to 100 sites with one login
